Additional 85 rows not shown.

Avg. price per night - Average price per night for a standard double room.

Air quality - Average Air Quality Index (AQI) on a scale of 1-500 (best-worst).

Noise pollution - Average noise pollution in a city (in decibels).

Total score - min. 1 and max. 100.

If a value is missing for any category in the ranking, it means the data was unavailable for that destination.
