

Development of the distribution of international reviews 2020 to 2022 by country

Figure 3-6

The 15 most frequent countries of reviewers (oral and written) from 2020 to 2022 are shown here. The changes shown relate to the change in the share of international reviews in total compared to the previous year.

Data source: Deutsche Forschungsgemeinschaft (DFG, German Research Foundation): International DFG reviews 2019 to 2022. Calculations by the DFG. Corresponds to Abbildung 5-6 of the Förderatlas 2024.
